A good year or so I wrote an article called ‘What is Roblox?’. At the time I was new to the game that my young son had started playing and thought it a good idea to educate people on what the ‘game’ actually was. After playing with my son for over a year on Roblox I felt it was time to rewrite the article as there is plenty that the original didn’t cover.

It is! And you don’t win at Roblox, really. Sure, there are individual games you could win, but the real draw of Roblox is just to be a place to hang out, play lots of stuff, and maybe do so with your friends.

Because there’s so much to choose from, it can be overwhelming at the start. But since it’s so easy to jump into a game, you’ll probably be able to find something fun just by exploring.

If these new spaces were indeed to emerge, it’s worth considering the issue of control and mediation of information. The internet as we know it today wasn’t developed by any one single entity, but built collaboratively around open standards and protocols, including, notably, net neutrality. Whether such principles would govern this would-be internet successor is a topic of debate. If any company were able to consolidate power over the Metaverse’s formation and become its de facto gatekeeper, the control they could wield over the dissemination of information and in setting their own commercial and security practices would be enormous.

Moreover, the free in-game currency generator methods we’ve highlighted here are legitimate. Each of them can provide you with multiple free Robux earning opportunities.
